INTERNAL QUALITY ASSUARANCE CELL

IQAC is a part of any accredited Higher Educational Institutions (HEI) and works towards the realization of the goals of quality enhancement, bench marking and sustenance measures. The prime aim of the IQAC is to develop a system for conscious, consistent and catalytic actions to improve the academic and administrative performance of the institution and to promote measures for the institutional functioning towards enhancing quality of education on par with global standards. Internal Quality Assurance Cell (IQAC) has been made as an integral and independent part of this University.

Vision

To achieve excellence in Higher Education, with relevance comparable to National and International Standards and Global competence.

Mission

To empower teachers, students and society through value, skill and technology-oriented teaching, learning research and extension activities; enhance their creative, innovative and employable abilities in the context of the evolving knowledge society and economy, influenced by global challenges and changes and promoted holistic and inclusive growth.

IQAC Coordinator

Mrs. M. Gnana Priya Associate Professor & Vice Principal

Objectives of IQAC

The IQAC of the College is constituted to achieve the following objectives:

- To develop and progress a heightened level of clarity and focus in institutional functioning towards creation, sustenance and enhancement of quality and facilitate internalization of the quality culture permeating every sphere of the Institution.
- To facilitate the integration of the various activities of the institution and institutionalize the best practices.
- To provide a sound basis for decision making imbibing all the dimensions of service quality to improve institutional functioning.
- To act as a change agent in the Institution.
- To coordinate and improve internal communication to facilitate greater policy implementation and quality assurance towards its stakeholders.

Functions of the IQAC

- Development and application of quality benchmarks/parameters for the various academic and administrative activities of the College.
- Facilitating the creation of a learner-centric environment conducive for quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Arrangement for feedback responses from students, parents and other stakeholders on quality-related institutional processes.
- Dissemination of information on the various quality parameters of higher education.
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
- Documentation of the various programmes/activities of the College, leading to quality improvement.
- Acting as a nodal agency of the College for coordinating quality-related activities, including adoption and dissemination of good practices.
- Development of Quality Culture in the College.
- Preparation of the Annual Quality Assurance Report (AQAR) of the College based on the quality parameters/assessment criteria developed by the relevant quality assurance body in the prescribed format.
- In terms of UGC Regulations 2010, IQAC shall act as the Documentation and Record-Keeping cell.
